

DELIVERY & INDEXES

GENERAL INFORMATION

Flints realises that you need your goods in time for your fit up and that budgets can be tight. We use delivery companies who are firstly reliable but offer great value too. The diverse nature of our strange products results in unavoidable exceptions, but as a general rule:

An envelope we can pop in the post costs from £6.25

A small box costs £9.75

If you can wait a couple of days small orders over £50.00 go FREE

A big heavy box costs £17.50

If your order exceeds £325.00 it goes FREE

In Central London orders over £80.00 go FREE

Prices held!

Ok, that was the easy bit that applies to most of our deliveries but here are the nitty gritty details. Please note that all weights are based on the greater of actual and volumetric weights. To calculate volumetric weight in kilograms, multiply the length by height by depth of the parcel measured in metres and divide by 0.005.

Too complicated? In most cases our online system will work out the carriage for you at the point of order.

MAINLAND UK OTHER THAN CENTRAL LONDON

Orders over £325 net are sent free of charge on Standard Services. This offer excludes all offshore areas of the UK and the items excluded on the next page.
