

HEADLAMP TORCHES

Headlamp Torches

Essential kit for working backstage especially during lighting rehearsals. Frees up both hands allowing you to concentrate on the job and hang on to the ladder. The light source is close to your eyes ensuring the beam is thrown just where it is needed. Also handy for cycling home and outdoor pursuits. All our head torches are individually tested and have a three-year guarantee.

Twice as bright, longer burn time

Petzl PIXA® Range Designed specifically for professionals who regularly work in the dark. One of their main benefits is their durability: if it gets thrown into your kit bag or dropped from a lighting truss [2 m] there is a very good chance they will not break. Reliable and easy to use providing lighting whilst keeping hands free for efficient, comfortable work. 2 x AA batteries [included]. Three-year guarantee.

- Each of the Pixa® Range listed has these outstanding features:
- ✓ Waterproof up to a depth of 1 m for 30 minutes. IP67
 - ✓ Constant Lighting technology with no fading light – when the batteries are near depletion, indicated by a blinking light, these headlamps switch to reserve lighting of 10 lumens lasting from 6.5 hours [Pixa® 1] to 13 hours [Pixa® 2 and 3].
 - ✓ Built to withstand a fall of up to 2 m
 - ✓ Chemical resistant
 - ✓ Withstands a crushing pressure of 80 kg
 - ✓ Washable headband
 - ✓ Designed for use in explosive environments [ATEX: zone 2/22]
 - ✓ Chunky selector knob is easy to use even with gloves
 - ✓ The body can be rotated to protect the lens and lock off the switch
 - ✓ All torches come with a mounting plate for direct attachment to Vertex and Alveo helmets [page 320]
 - ✓ Can also be placed on the ground with the light tilted to suit your work position

The PIXA® line comes in three models adapted for different uses:

60 Lumens

Pixa 1: An economical and very popular choice, mainly used for close range work. Wide beam in two modes [high and low].

80 Lumens

Pixa 2: The mid range option used for both close range work [wide beam] and walk lighting [mixed beam pattern].

100 Lumens

Pixa 3: Top of the range version offering the perfect solution for a wide range of situations, from close range work to walk lighting and even long distance lighting using a focussed beam of up to 90 m.
