UPDATE 17/02/2020

Products that have been struckthrough (eg Foamcoat) have had the correct MSDS provided and are now available for sale again.

Regretfully Flint Hire & Supply Limited are announcing the suspension from sale of the following Rosco products, with immediate effect and until further notice. **We are expecting the correct MSDS sheets for products marked with an * imminently, and once received will release them for sale.**

Please see [this document](#) for further details. This list will be updated as and when products can be re-introduced for sale.
